david...

- thrives in team environments
- remains calm under pressure
- keeps thorough files for quick future reference
- pays close attention to detail, especially grammar and spelling
- loves to keep learning
- has the best dog in the world, Hazel

work experiences

Contributed to the Emmys® brand launch for years 2010–2016 through brainstorming and development of digital and print elements

Produced on-air graphics, including intros, transitions and lower thirds for the Emmys.com Backstage LIVE! show from 2011–2016

Storyboarded and composed motion graphics for events, video walls, award celebrations, online series and company videos, heightening brand visibility

Edited and cut videos on short notice, leading to immediate marketing opportunities

Created and orchestrated delivery of branded signage to out of state venues, contributing to successful events and contract renewals

Collaborated with non-profit organizations to create dynamic newsletters, direct mailings and brochures, increasing feedback and profile

Designed program books from layout to print in accelerated time periods, accommodating timelines of both clients and printers

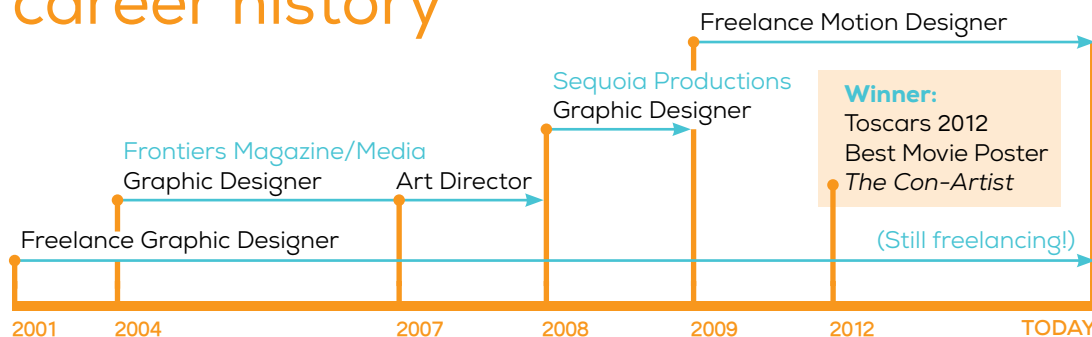

Built magazine ads for various medical and health companies, resulting in new business

education

2D/3D Animation Certificate Academy of Entertainment Technology, Santa Monica College • Santa Monica, CA • GPA: 3.87

BFA, Graphic Design University of the Pacific • Stockton, CA • GPA: 3.75
